

Kids Love Colour

So why not decorate their room so that it is overflowing with it.

With Plasti-kote Spray Paint it's so easy. This tot's room was transformed using a rainbow of colours.

The plain chest of draws and wooden blocks on the walls were given a splash of colour with brightly coloured letters and teddy bears. They were stenciled on using a selection of paints from the Plasti-kote Odds 'n' Ends range. The flowers on the wall are also created with a simple stenciling technique.

The miniature table and chairs, were given a vibrant facelift using primary colours from the range of Plasti-kote Super Enamels.

Plasti-kote, all purpose spray paint is available from Hardware stores nationwide.
